

# 2008 REGISTRATION PACKET

## How to Register

Please register early, as many camps and buses fill long before camp begins. Submission of an application does not guarantee acceptance into camp. Acceptance into camp will be verified by a written confirmation. Provide a separate form for each child.

Financial assistance through our Open Doors Program is available from the Northern Middlesex YMCA to families with an annual income of less than \$45,000. Assistance is provided through the Middlesex United Way; Middletown Exchange Club; and private contributions. Reduced fees will be granted following an application process.

Register immediately online at [www.midymca.org](http://www.midymca.org) & SAVE TIME!
